BROADEN YOUR PALATE

## PINOT NOIR

*California 2017*

Silky smooth and well balanced, our Pinot Noir has layered notes of strawberry, cherry and boysenberry. The fruit flavors are enriched by well integrated oak and blended with Petit Verdot to achieve a substantial body. Our Pinot Noir is rich and complex with soft tannins and a long layered finish. Petit Verdot (15%) contributes to the beautiful color and body of the wine.
